ADULT CHRISTIAN EDUCATION

Sundays

New CE classes

11:15am

::] Becoming a Contagious Christian in Rm 702

Over one million people have experienced this groundbreaking evangelism training course. It is a proven resource designed to equip believers for relational evangelism. Revised and updated to train entire churches, it avoids stereotyped approaches that feel intimidating to many Christians and to their friends! Instead, it shows ordinary believers how they can share the Gospel in natural and effective ways while being the person God made them to be.

12:30pm

::] The Hole in Our Gospel in Rm 702

Richard Stearns, the CEO of World Vision, says Christians have a huge hole in their lives, an emptiness that comes from ignoring the plight of the poor. He details his own quest to fill this hole by leaving Lenox Inc., where he was CEO, to run a not-for-profit that helps feed, clothe and educate children worldwide. Stearns believes poverty is explained by something more than choices, and lifting cultures from the systemic causes of poverty requires a multi-pronged approach.
