Return, Restore, Rebuild

Announcements

Pray for Our Country

Paul tells us in 1 Timothy 2:2 that we should pray “for kings and all who are in authority, so that we may lead a tranquil and quiet life in all godliness and dignity.” He does not say to pray just for those that we like or agree with. He does not tell us to pray when we want leaders to do a better job. He tells us to pray consistently because they have direct impact on our lives. We are thankful for this country. We appreciate the 246 years that this country has existed. As we celebrate July 4th, let's pray for our country and its leaders.
